Amsterdam on November 25 and December 1

By now more than 10.000 protest emails have been sent to the Dutch government by you and our allies from The Netherlands and abroad. Youhou!. The action will continue until the end of November. All signatures have been handed over to the Dutch Minister Verburg of Agriculture at the Conference on social economic aspects of GMOs held by the ministry on November 25 and 26.

What this petition action is all about we have all been able to read on www.toxicsoy.org. But if you want to see it more lively illustrated with some video letters from Soy Hell Central aka Paraguay and hear the latest updates, come

....on December 1 to the monthly Earth First! Amsterdam info night in Cafe Molli Chaoot (8.30pm, van Ostadestraat 55hs - Amsterdam) , or to filmic Wednesday of Joe's Garage on November 25, also with the documentaries Mother Earth and Killing Fields (see www.feedingfactoryfarms.org) (8pm, Pretoriusstraat 43 - Amsterdam).

You can also watch some of the videos on the website of LaSojaMata or order a DVD at A SEED (Dutch, German or Spanish versions available only momentarily).
